

.mp4's maybe not as slick.
 Jim up to Section 1.4 converting
 .mp4's to flash.

Not Cool

$$\begin{array}{r} -2x + 9 < 25 \\ -9 = -9 \\ \hline -2x < 16 \\ \frac{-2x}{-2} < \frac{16}{-2} \text{ No!} \\ x > -8 \text{ No!} \end{array}$$

Cool

$$\begin{array}{r} -2x + 9 < 25 \\ -9 = -9 \\ \hline -2x < 16 \\ \frac{-2x}{-2} > \frac{16}{-2} \\ x > -8 \end{array}$$

$2 < 9$
 $\leftarrow \begin{array}{|c|c|} \hline 2 & 9 \\ \hline \end{array} \rightarrow$
 $\begin{array}{|c|c|} \hline -9 & -2 \\ \hline \end{array}$
 Cool
 $-2x + 9 < 25$
 $-2x < 16$
 $x > \frac{16}{-2}$
