WebAssign is not required, but I advise signing up for the free trial and seeing if there's anything there that helps you learn better/quicker/deeper. See link, below.

PLEASE NOTE: I'm postponing 1.2 until we've finished 1.3 and 1.4. I dislike the sequencing, there.

PLEASE NOTE: This schedule is going to shift by one (or two) days, to free up time and reduce stress at the end.
