

Monday	Week	What we're doing this week:	Links
8/26/24	1	<p>On Day 1, I will show you where things are on https://www.webassign.net/ and https://harryzaims.com/ . It's all set up so you can find MY take on almost every exercise I've assigned you, so I'm <i>with</i> you, 24/7, in a sense.</p> <p>We talk about where stuff is, how to get rolling, and we prove that the slope of x^2 is $2x$. As time allows, I will work some of the dreary exercises in 1.1 and 1.2 that are meant to motivate the moves I make when I'm having fun with $2x$ and x^2.</p> <p>**** **** **** **** ****</p> <p>Do Sections 1.1, 1.2*, 1.3 Sections marked with * are 2-day sections. All others are 1-day sections. Each week we meet 4 times, but each week counts 5 lectures.</p>	WebAssign
